

Focus Control Headlamp

Extremely lightweight headlamp

KE-FC115

Description:

The KE-FC115 is a popular choice for its low profile, high quality, and great battery life. Used with or without the reflective head strap, it's an extremely lightweight headlamp that fits comfortably on hard hats.

Features:

- Industry exclusive motion sensor technology (can be turned off) allows workers to keep work gloves on and turn headlamp on/off
- Tilt adjustment and focus control adjustable beam puts more usable light where you need it most!
- 360° visibility with head-strap
- Great combination of battery life and light output
- Low power mode: two 5mm reading lamps last up to 80 hours
- Large push button switch, easy to use with gloves

Specifications:

- Case Material: High impact ABS
- Size L x W x H: 2.5" x 1.7" x 2"
- Light Source: 1x Rebel 190 2x5mm Nichia
