## Cone Adapter / Amber LED Magnetic Beacon

## KE-MPCA M100A-LED (Amber)

### Cone Adapter

Railhead Part Number: KE-MPCA

#### Description:

Cone Adapter can be used with all of our magnetic based safety lights. The metal plate allows magnetized lights to stay put on top of a safety cone.

### Amber LED Magnetic Beacon

Railhead Part Number: M100A-LED

#### Description:

The Amber LED Magnetic Beacon offers all of the features and benefits of our full line of LED Safety Lights plus multiple flash patterns. We have minimized the amount of LEDs to increase battery life, while introducing a diamond cut lens which increases viewing distance. The installed photocell is very popular with construction crews.
