

Work Zone Alarm Cone

Help make work zones safer!

RH-WZAC

ALERT WORKERS TO THE APPROACH OF DISTRACTED OR IMPAIRED DRIVERS IN THE WORK AREA

Work Zone Alarm Cone (WZAC) is designed to improve **work zone safety** by providing alerts to workers when hazardous situations exist.

When passing vehicles or moving construction equipments hit WZAC, it starts immediately producing a **loud warning sound at 120dB** to let workers recognize potential hazards and take immediate action to avoid any injury or fatalities.

Specifications:

Content	Description
Product Name	Work Zone Alarm Cone
Model Name	RH-WZAC
Purpose	Work Zone Alert
Operating Lever	Lock / Unlock
Pressure Gauge	Air Pressure Check
Air Inlet	Refillable Air Valve
Air Horn	Warning Sound 120dB
Recommended Air Pressure	40~80PSI(2.76~5.52bar)
Material	HDPE
Size	16.5" x 16.5" x 29.5"
Weight	10 lbs

AIR OPERATED, REFILLABLE BY AIR PUMP

Perfect For:

- **Construction**
- **Utilities**
- **D.O.T. Municipalities**
- **Paving / Asphalt Crews**
