

# Rechargeable Trainman Lantern Kit

## RH-TL2022-R-2A

### YOUR CURRENT RAILHEAD LANTERNS ALREADY SUPPORT THE UPGRADE

Introducing our rechargeable version of the RH-TL2020. Our patented lantern will accept both C-Cell Alkaline batteries as well as our rechargeable C-Cell options.

Kit includes RH-TL2020 (Trainman Lantern), (6) Rechargeable C Batteries, (2) Battery Cages, 2AMP Wall Charger, Charging Base, and 3 C-Cell Alkaline Batteries

### Features:

- ▶ ROI- Save approximately \$950 on C-Cell batteries over a 2 year period
  - (These numbers are an estimate taken directly from Transportation Departments)
- ▶ Integrated “Daisy-Chain” located underneath the charging base allows 2-4 bases to connect for simultaneous charging capabilities (CALL FOR DETAILS)
- ▶ LED battery indicator located on charging base

### Benefits:

- ▶ Never pay for Alkaline C batteries again
- ▶ Quick and easy drop and go charging dock
- ▶ User-friendly - battery cage removes the need to individually take out each battery to charge

**TRAINMASTER - “BEST LANTERN WE’VE USED IN OVER 30 YEARS HANDS DOWN.”**
