

Blue Derail Aluminum Sign

KE SIGN DB

REDUCE INJURIES! IMPROVE VISIBILITY!

Now available in 14x10

Part# KE SIGN DB14X10

Railhead offers the brightest and most reflective signs on the market. Poorly painted signs are now a thing of the past as our H.I.P (**High-Intensity Prismatic**). All of our signs are a great value and made in the U.S.A.

Features:

- ▶ Highly reflective
- ▶ Ability to attach both lights and sign easily
- ▶ 100% reflective lettering
- ▶ Heavy gauge powder-coated metal bracket
- ▶ Great in windy conditions
- ▶ Will not freeze and crack

Specifications:

Base Material:	Aluminum
Size L x H	12" x 12"
Color	Blue
