

# Railflex 100 with Touchscreen Fingertips

ANSI CUT LEVEL

A1

Part# RH-GL100TS

The Railflex 100 material handling glove is one of the most comfortable gloves you'll ever wear. Super comfortable stretch material with high abrasion resistance to protect your hands all day long.

## Features

- Exceptional comfort - incorporating a nylon/ spandex/ elastic liner and a stretchable microfoam coating
- Enhanced breathability - both liner and coating are breathable and pull moisture and heat away from skin
- Exceptional grip - Microfoam nitrile provides extraordinary grip performance, especially in wet and oily environments
- Touchscreen fingertips - keep gloves on your workers for improved safety

## Material

<b>MATERIAL:</b>	Nylon, Spandex
